

COVID-19 Protocols for 2021-2022

Snowshoe Tahoe is committed to doing our part in the mitigation of COVID-19, as well as complying with local and state guidelines. Our mitigation plan includes modifications to how we will be conducting guiding operations for the foreseeable future.

We ask that all guests contribute to our efforts and respect our adjusted policies. In the days leading up to your adventure, we ask that you conduct honest self-health screenings. If you have any of the following symptoms, please call the Snowshoe Tahoe office prior to your trip date.

1. Cough
2. Fever
3. Shortness of breath/ difficulty breathing
4. New loss of taste or smell
5. Chills
6. Muscle pain
7. Sore throat

MASK POLICY:

Since our activities are held outside in their entirety we allow our guests and guides to choose whether or not to wear a mask. We ask all guests to do what is most comfortable for them.

RAMPING UP CLEANING AND DISINFECTING PROTOCOLS

At the close of each day, our team will be disinfecting all used equipment. All equipment cleaning will be done with manufacturer's guidelines. Hand sanitizers will be readily available at check in as well with each guide.

ADHERING TO PHYSICAL DISTANCING GUIDELINES

- We will be doing our best to practice physical distancing measures and ask the same of you and your group. .
- We have limited the size of our trips to allow for social distancing on the hike.
- Guest, guides, and office staff are asked to maintain a 6-foot distance at all times. Members of a private/family/ close-contact group are not required to maintain 6-foot distance among themselves if they wish.
- All clients, guides, and office staff must be prepared to wear face masks as directed.

WE'RE EXCITED AND HOPE YOU ARE TOO!

We are so thrilled to be in the wilderness with you. We're confident that the measures we are taking will protect our staff and guests alike and will not significantly take away from the experience that we all get from exploring in the forest. If you have any questions about our precautions, please feel free to contact us. **(530) 536-0608**
